

June 22, 2017

Dear Friend,

For over 12 years the Forum for Volunteer Administrators (FVA) has brought together its members and friends for an annual Networking Event. Volunteer administrators from throughout northeast Ohio will come together on August 10, 2017 to share knowledge, stories and camaraderie with like-minded professionals. During the event there are raffles, information sessions and refreshments. The focus of the event is to celebrate and recognize volunteer administrators and the important role they play in furthering the mission of nonprofit organizations in Northeast Ohio. This event also serves as an opportunity to invite new organizations to take advantage of FVA membership benefits and professional development opportunities for volunteer program administrators that take place right here in northeast Ohio.

FVA is a non-profit, volunteer-board driven organization and we can use your help to make this event a success by considering donating a gift item and/or gift basket for this event. We are looking for gift cards, gift items, gift baskets, or memberships/tickets to local venues and events. All of the items will be given out through a free raffle on August 10th. Your contributions will be acknowledged with table signage and by announcement at the event as well as on our annual report.

The mission of the Forum for Volunteer Administrators (FVA) is to provide mutual support, continuing dialog and professional development opportunities for those involved in the leadership and management of volunteers. We are an independent not-for-profit organization with 501(c) (3) status and serve over 150 members in Northeast Ohio and beyond. We offer formal and informal networking opportunities, programs, workshops and an annual conference specifically designed for those in the field of volunteer engagement.

With your help, we can make this event a success, giving volunteer administrators the recognition that encourages and sustains them in doing good work to benefit our northeast Ohio communities!

Thank you,
