year in review

Friends,

Many thanks to you, our members, donors and supporters: our friends. Your commitment to volunteerism is inspiring, even at our most difficult times. With pride, the Forum for Volunteer Administrators was thrilled to share opportunities to explore skills, ideas, and solutions important to the evolving field of volunteerism.

In short, during 2021 we loved being connected to our community ... that's you! It's been our honor to connect, collaborate and grow with you each step of the way this year. In addition to all those who served on the FVA Board and on FVA teams, many individuals and partner organizations supported FVA programming and education. Our sincere gratitude to our amazing community of volunteer managers, educators, and partners this year. Thank you for making 2021 a year to remember.
